Quote of the Month

Religious people will forgive god for fucking anything. When he does bad things like hurricanes, aids, cancer, **child molestation**, then we just go, 'Ah well... god works in mysterious ways.' What type of an excuse is that? What is mysterious about acting like a fucking asshole?

JESUSFUCKINGCHRIST...

STILL DEBATING THE BIBLE IN 2014?

SEA ETS Bus Ads

We are still in need of some donations to reach our goal of \$8000. So far we have raised just over \$6500 and would like to thank all of those that have generously donated toward this.

Donations can be made on our website **Membership and Merchandise** page (available for Paypal users), or at one of our functions.

Help us make this happen. The bus ads will run for a month on many ETS buses.

CREATING A COMMUNITY OF ACCEPTANCE

WHY DO ATHEISTS ALWAYS TALK ABOUT GOD?

Call Out for Talent

We are looking for talented members (or non-members) that would be willing to take the time to write a short essay, story, poem, photos, or original artwork for our SEA Newsletters.

These must be **original** works created by the individual, not taken from the web or other sources.

The submissions need not be religious/atheist based, we would just like to highlight some of the talented people within our community.
