Call Out for Talent

We are looking for talented members (or non-members) who would be willing to take the time to write a short essay, story, poem, photos, or original artwork for our SEA Newsletters.

These must be **original** works created by the individual, not taken from the web or other sources.

The submissions need not be religious/atheist based, we would just like to highlight some of the talented people within our community.

DO YOU KNOW THE BIBLE?

Follow along with the **Atheist Bible Study** group! From June 2014 - November 2015, they are reading the Bible objectively as a work of literary and historical significance, not as a sacred text. Feel free to ask questions, ponder interpretation, share information, suggest resources and links, and generally support one other as they tackle this challenging task. Read along with the weekly assigned passages, or just follow the comments and postings. It's fun and educational.
