To you I'm an atheist; to God, I'm the Loyal Opposition.

Woody Allen

DOESN'T HAVE A WIFE, NO KIDS, NO SEX, PAYS NO TAXES,...

THEN TEACHES YOU HOW TO MANAGE A FAMILY AND SEXUALITY AND HOW TO BE A PROPER CITIZEN.

SEA ETS Bus Ads

We are in the final stretch!

We are slowly getting to our goal of \$8000. So far we have raised just over \$7000 and would like to thank all of those that have generously donated toward this.

Donations can be made on our website *Membership and Merchandise* page (available for Paypal users), or at one of our functions.

Help us make this happen. The bus ads will run for a month on many ETS buses.

CREATING A COMMUNITY OF ACCEPTANCE

Social Media (Facebook) and the Atheist "Community"

Many SEA members are joining other Atheist groups - locally, across Canada and around the world via Facebook. This is a fun way to meet other Atheists/ Agnostics/Freethinkers and find out more about what is happening in their regions, their initiatives, and helps create a broader Atheist "community". It is an excellent way to share ideas and postings that can be 'Share'd. It is fun to pm (chat) with members from other groups if you find you have something in common - kinda like the old-fashioned "Pen Pals" that some of us had, only now it's instantaneous.

Some groups you may be interested in:

- www.facebook.com/groups/5442393782/ UofA Atheists and Agnostics (UAAA) - this group has hosted some great debates and lectures that you may be interested in attending.
- www.facebook.com/HumanistsAtheistsAndAgnosticsOfManitoba (HAAM)
- www.facebook.com/groups/2348548208/ Atheists of Newfoundland and Labrador

DO YOU KNOW THE BIBLE?

Follow along with the **Atheist Bible Study** group! From June 2014 - November 2015, they are reading the Bible objectively as a work of literary and historical significance, not as a sacred text. Feel free to ask questions, ponder interpretation, share information, suggest resources and links, and generally support one other as they tackle this challenging task. Read along with the weekly assigned passages, or just follow the comments and postings. It's fun and educational.

Member Submission

Update on my series of oil paintings of OWLS. Not quite finished this little fella, but he is a juvenile Northern Great Grey.

Call Out for Talent

We are looking for talented members (or non-members) that would be willing to take the time to write a short essay, story, poem, photos, or original artwork for our SEA Newsletters.

These must be **original** works created by the individual, not taken from the web or other sources.

The submissions need not be religious/atheist based, we would just like to highlight some of the talented people within our community.
